The software Development Kit which is the object of this license is protected by the national laws and international treaties on Copyright. Any unlawful copying and utilization of such product is constitutive of an infringement act. Within the European Union, should the product include or be a database, said is notably protected by the European Directive 96/9/EC on the legal protection of databases

1. PRELIMINARY DEFINITIONS

1.1 The term "Software Development Kit or SDK" designates the whole or a part of all the executable code of the computer software programs delivered to a user, and any technical documentation or associated manuals enabling the performance of the program and/or, should the case may be, the database delivered to the End User. This License Agreement forms a legally binding contract between you and the Software Publisher in relation to your use of the SDK.

1.2 The term "Product" designates all parts of hardware and software for which the SDK offers the ability to develop and/or to support software applications related to the product.

1.3 The terms "to use" or "use" employed in relation to the SDK, such as described hereinafter, shall mean storing all or part of the SDK in a computer, and/or loading any part of the SDK into a computer in order to perform any computer instruction included in the program, and/or executing the SDK, and/or displaying any part of the SDK via the processing of said computer instructions and/or treating the data included in the SDK. The terms "to use" or "use" employed in combination with the associated documentation shall be interpreted in their primary and general meaning.

1.4 The term "Software Publisher" shall mean the owner of the intellectual property rights on the SDK or the company entitled by the owner of intellectual property rights to commercialize the SDK and have it distributed through its distribution network.

1.5 The terms "the special conditions" shall mean the commercial agreement between the Software Publisher or its local distributor and the End User and formalized by a contract, purchase order or any binding legal document.

1.6 The term "Eurogiciel" means Eurogiciel Ingénierie who is the Software Publisher of the SDK. Eurogiciel Ingénierie is a SAS corporation with Headquarters located at 417 L'Occitane, 31676 LABEGE – France.

1.7 The term "Third Party software" means software that is not published by Eurogiciel.

1.8 The Term "local distributor" shall mean an agent or distributor contractually entitled by the Software Publisher to commercialize the SDK.

2. Accepting this License Agreement

This SDK is licensed to OPTINVENT for distribution and use with the ORA product by OPTINVENT.

2.1 In order to use the SDK, you must first agree to this License Agreement. You may not use the SDK if you do not accept this License Agreement.

2.2 By using the SDK, you hereby agree to the terms of this License Agreement.

2.3 You may not use the SDK and may not accept the License Agreement if you are a person barred from receiving the SDK under the laws of CEE or other countries including the country in which you are resident or from which you use the SDK.

2.4 If you are agreeing to be bound by this License Agreement on behalf of your employer or other entity, you represent and warrant that you have full legal authority to bind your employer or such entity to this License Agreement. If you do not have the requisite authority, you may not accept the License Agreement or use the SDK on behalf of your employer or other entity.

3. Title & Ownership

3.1 The software component of Eurogiciel Software Development Kit, including any revisions, corrections, modifications, enhancements, updates and/or upgrades thereto, if provided hereunder, (hereinafter in whole or any part thereof defined as: "SDK Software"), and the related documentation, are and shall remain in Eurogiciel's sole property.

3.2 All intellectual property rights (including, without limitation, copyrights, trade secrets, trademarks, etc.) evidenced by or embodied in and/or attached/connected/related to the Product, are and shall be owned solely by Eurogiciel.

3.3 This License Agreement does not convey to you an interest in or to the SDK Software, but only a limited right of use in accordance with the terms of this License Agreement. Nothing in this Agreement constitutes a waiver of Eurogiciel's intellectual property rights under any law.

4. Grant of License

4.1 Subject to the terms of this License Agreement, Eurogiciel grants you a limited, worldwide, royalty-free, non-assignable and non-exclusive license to use the SDK solely to develop applications for products related to the SDK.

4.2 You agree that Eurogiciel or third parties own all legal right, title and interest in and to the SDK, including any Intellectual Property Rights that subsist in the SDK. "Intellectual Property Rights" means any and all rights under patent law, copyright law, trade secret law, trademark law, and any and all other proprietary rights. Eurogiciel reserves all rights not expressly granted to you.

4.3 Eurogiciel agrees that it obtains no right, title or interest from you (or your licensors) under this License Agreement in or to any software applications that you develop using the SDK, including any intellectual property rights that subsist in those applications.

4.4 You agree to use the SDK and write applications only for purposes that are permitted by (a) this License Agreement and (b) any applicable law, regulation or generally accepted practices or guidelines in the relevant jurisdictions (including any laws regarding the export of data or software to and from the CEE or other relevant countries).

4.5 You agree that if you use the SDK to develop applications for general public users, you will protect the privacy and legal rights of those users. If the users provide you with user names, passwords, or other login information or personal information, you must make the users aware that the information will be available to your application, and you must provide legally adequate privacy notice and protection for those users. If your application stores personal or sensitive information provided by users, it must do so securely.

4.6 You agree that you will not engage in any activity with the SDK, including the development or distribution of an application that interferes with, disrupts, damages, or accesses in an unauthorized manner the servers, networks, or other properties or services of any third party or any mobile communications carrier.

4.7 You agree that you are solely responsible for (and that Eurogiciel has no responsibility to you or to any third party for) any data, content, or resources that you create, transmit or display through applications for the product, and for the consequences of your actions (including any loss or damage which Eurogiciel may suffer) by doing so.

4.8 You agree that you are solely responsible for (and that Eurogiciel has no responsibility to you or to any third party for) any breach of your obligations under this License Agreement, any applicable third party contract or Terms of Service, or any applicable law or regulation, and for the consequences (including any loss or damage which Eurogiciel or any third party may suffer) of any such breach.

5. Third Party Software

5.1 If you use the SDK to run applications developed by a third party or that access data, content or resources provided by a third party, you agree that Eurogiciel is not responsible for those applications, data, content, or resources. You understand that all data, content or resources which you may access through such third party applications are the sole responsibility of the person from which they originated and that Eurogiciel is not liable for any loss or damage that you may experience as a result of the use or access of any of those third party applications, data, content, or resources.

5.2 You should be aware the data, content, and resources presented to you through such a third party application may be protected by intellectual property rights which are owned by the providers (or by other persons or companies on their behalf). You may not modify, rent, lease, loan, sell, distribute or create derivative works based on these data, content, or resources (either in whole or in part) unless you have been specifically given permission to do so by the relevant owners.

5.3 If the Product contains any software provided by third parties, such third party's software is provided under the terms and conditions applicable thereto, as included in the related documentation, and if no such terms and conditions are so applicable, then, such third party's software is provided "As Is" without any warranty of any kind and this Agreement shall apply to all such third party software providers and third party software as if they were Eurogiciel and the Product respectively.

5.4 You acknowledge that your use of such third party software applications, data, content, or resources may be subject to separate terms between you and the relevant third party. In that case, this License Agreement does not affect your legal relationship with these third parties.

6. Restrictions

6.1 You may not use the SDK for any purpose not expressly permitted by this License Agreement. Except to the extent required by applicable third party licenses, you may not: (a) copy (except for backup purposes), modify, adapt, redistribute, decompile, reverse engineer, disassemble, or create derivative works of the SDK or any part of the SDK; or (b) load any part of the SDK onto a mobile handset or any other hardware device except a personal computer, combine any part of the SDK with other software, or distribute any software or device incorporating a part of the SDK.

6.2 You agree that you will not take any actions that may cause or result in the fragmentation of the product, including but not limited to distributing, participating in the creation of, or promoting in any way a software development kit derived from the SDK. 7.3 Use, reproduction and distribution of components of the SDK licensed under an open source software license are governed solely by the terms of that open source software license and not this License Agreement.

6.4 You agree that the form and nature of the SDK that Eurogiciel provides may change without prior notice to you and that future versions of the SDK may be incompatible with applications developed on previous versions of the SDK. You agree that Eurogiciel may stop (permanently or temporarily) providing the SDK (or any features within the SDK) to you or to users generally at Eurogiciel Ingénierie's sole discretion, without prior notice to you.

6.5 Nothing in this License Agreement gives you a right to use any of Eurogiciel Ingénierie's trade names, trademarks, service marks, logos, domain names, or other distinctive brand features.

6.6 You agree that you will not remove, obscure, or alter any proprietary rights notices (including copyright and trademark notices) that may be affixed to or contained within the SDK.

7. Support

7.1 Eurogiciel has no obligation to provide technical support under this Agreement. The SDK Software is offered for informational purposes only. Normal support contracts for Eurogiciel's products do not cover support for the SDK Software. Support for the SDK Software may be separately purchased from Eurogiciel.

8. Limited Warranty and Remedies

8.1 Eurogiciel warrants that upon delivery and for a period of 90 days as of shipment to you, the media on which its Software is recorded is free from defects in material and workmanship provided that it is used on the computer hardware and with the operating system for which it was designed. If any modifications are made to the SDK Software or to any other part of the Product by you during the warranty period; if the media is subjected to accident, abuse, or improper use; or if you violate any of the terms of this Agreement, then the warranty in this Section above, shall immediately terminate.

8.2 The warranty shall not apply if the SDK Software is used on or in conjunction with hardware or program other than the unmodified version of hardware and program with which the SDK Software was designed to be used as described in the Developer's Guide. Warranty claims must be made in writing during the warranty period and within seven (7) days of the observation of the defect accompanied by evidence satisfactory to Eurogiciel.

8.3 All Products should be returned to the distributor from which they were purchased (if not purchased directly from Eurogiciel) and shall be shipped by the returning party with freight and insurance paid. The Product or component thereof must be returned with a copy of your receipt.

9. Warranty Disclaimer

9.1 Eurogiciel does not warrant that the functions contained in the SDK software will meet your requirements or that operation of the program will be uninterrupted or error-free. The SDK software is furnished "as is" and without warranty as to the performance or results you may obtain by using the SDK software.

The entire risk as to the results and performance of the SDK software is assumed by you.

9.2 To the extent allowed by law, Eurogiciel expressly disclaims all express warranties not stated here and all implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. Some countries do not allow the exclusion of implied warranties, so the above exclusion may not apply to you. This warranty gives you specific legal rights. You may have other rights which vary by country.

10. Exclusion of Consequential Damages

10.1 You acknowledge that the product is inherently complex and may not be completely free of errors. Eurogiciel and/or its licensors shall not be liable (whether under contract, tort (including negligence) or otherwise) to you, or any third party for any loss or damage (including indirect, special or consequential damages), including, without limitation, any loss or damage to business earnings, lost profits or goodwill and lost or damaged data or documentation, suffered by any person, arising from and/or related with and/or connected to any use of the SDK software and/or any component of the product, even if Eurogiciel is advised of the possibility of such damages.

11. Limitation of Liability

11.1 In the event that, notwithstanding the terms of this agreement, Eurogiciel is found liable for damages based on any defect or nonconformity of its product(s), Eurogiciel's and its licensors' entire liability under, for breach of, or arising out of this agreement, is limited to a refund of the purchase price of the product or service that gave rise to the claim. In no event shall Eurogiciel or its licensors be liable for your cost of procuring substitute goods.

12. Term and Termination

12.1 This agreement shall remain in full force and effect for so long as the SDK Software is required for the accomplishment of the purpose as defined in the SDK Software Guide or until such time it is terminated**.** Without prejudice to any other rights, Eurogiciel may terminate this license upon the breach by you of any term hereof. You may terminate this license at any time by destroying the SDK Software and erasing any copies on your computer equipment.

13. Indemnification

13.1 To the maximum extent permitted by law, you agree to defend, indemnify and hold harmless Eurogiciel Ingénierie, its affiliates and their respective directors, officers, employees and agents from and against any and all claims, actions, suits or proceedings, as well as any and all losses, liabilities, damages, costs and expenses (including reasonable attorney's fees) arising out of or accruing from (a) your use of the SDK, (b) any application you develop on the SDK that infringes any copyright, trademark, trade secret, trade dress, patent or other intellectual property right of any person or defames any person or violates their rights of publicity or privacy, and (c) any non-compliance by you with this License Agreement.

14. Changes to the License Agreement

14.1 Eurogiciel may make changes to the License Agreement as it distributes new versions of the SDK. When these changes are made, Eurogiciel will make a new version of the License Agreement available on the website where the SDK is made available.

15. Return of Product

15.1 Upon termination or expiration of the agreement, you agree to destroy, or return to Eurogiciel, the Product all copies and portions thereof and to provide Eurogiciel with a written acknowledgment to that effect.

16. Export Restrictions

16.1 It is stipulated that the Product is subject to certain export control laws, rules, and/or regulations, including, without limiting the France export control laws, rules, and/or regulations. You undertake to comply with all applicable France export control laws and regulations, including without limitation, the laws and regulations administered by the France Department of Commerce.

17. General Legal Terms

17.1 This License Agreement constitutes the whole legal agreement between you and Eurogiciel and governs your use of the SDK (excluding any services which Eurogiciel may provide to you under a separate written agreement), and completely replaces any prior agreements between you and Eurogiciel in relation to the SDK.

17.2 Any waiver of or modification to the terms of this Agreement will not be effective unless executed in writing and signed by Eurogiciel. If any provision of this Agreement is held to be unenforceable, in whole or in part, such holding shall not affect the validity of the other provisions of this Agreement. In the event of any inconsistency between this Agreement and any other related agreements between you and Eurogiciel, the terms of this Agreement shall prevail. You may not assign this License or any associated transactions without the written consent of Eurogiciel.

17.3 The End User's local law, both for its interpretation and for its enforcement, shall govern the present agreement.
